

About Your One Hard Anodized 2-Piece Fry Pan Set

Your One Hard Anodized 2-Piece Fry Pan Set is made from lightweight, nonstick anodized aluminum for superior cooking results and easy cleaning. The set includes one 10-inch pan and one 12-inch pan, perfect for pan frying, sautéing and more.

Hard anodized aluminium is corrosion-resistant and provides a smooth surface that is durable and conducts heat for even cooking. The PFOA-free nonstick coating is resistant to scratches, but for best results, only use non-metal utensils on your Fry Pans.

NOTE: Your Hard Anodized Fry Pans are NOT oven safe.

Cleaning & Maintenance

Hard Anodized Fry Pans are dishwasher safe or can be washed in warm, soapy water. Rinse and dry thoroughly before storing.

Your 2-Piece Fry Pan Set includes a felt insert to protect your pans when stacking and storing.

The handles of your Fry Pans may become loose after long-term use. This is normal and due to the expansion and contraction of metal after exposure to high heat. To tighten the handle, use a screwdriver to turn the screw at the end of the handle clockwise.
